SQUIRREL TRAPPING SERVICE 30 DAYS	<p>Squirrel Trapping and Removal from Attic and Structure (30 Day Agreement) Unlimited Trapping for structure infesting squirrels or raccoons that are initially infesting the structure at time of the inspection. Using Havahart Cage Traps Double Door, Tomahawk Single Door Gutter Traps, Cage Trap Shields and hanging hardware, Special Wildlife Trigger Grip Traps with Custom Extension Tubes to Conceal and Protect the Capture Squirrel and will be Monitored every 48 hours and switched out when needed. Featuring the GPS Notification TrapSmart.com System Easy adjustment to trap placements per discretion of your service wildlife professional</p> <p>**Price Reflects Web Special at www.newjerseypest.com**</p> <p>Service Feature Promotion Details are featured at www.newjerseypest.com on our Squirrel Page</p> <p>Terms apply to Initial Service Agreement scope of work and pricing</p> <p>Repairs and Exclusion with Warranty requires a separate agreement after the 30-day trapping agreement has completed. 1 and 2 year warranty packages offered.</p> <p>Inspector is required to suit up for breathing and contact protection in Bio-Hazard pathogen and rodent-borne illness environments such as Attics, Crawlspace, and Unfinished basements. A thorough visual inspection of the roof line and gutter / gable regions which also requires ladder work so all above Eliminex needs to charge for this specific type of inspection in order to correctly identify the problem nuisance wildlife and possibly uncover source of entry as well which is not guaranteed to find a source of entry through just an initial inspection.</p> <p>Not Included - Exclusion / Seal up / Wire Up or Wood and Structural Repairs. Recommend Year Round Maintenance and Intercept the incoming wildlife activity by using a monitoring and trapping program if absolutely necessary. Seal Up of any entry areas too soon can actually trap wildlife inside of the home looking frantically for food and water inside the structure instead.</p>	875.00	1	875.00

****Customers Initials _____****

Any requested Pre-Inspection of the Attic, Crawlspace & Roofline before service is contracted will be \$175 for the inspection if a trapping agreement service isn't performed at the same time.

Roof and Gutter Line only Pre-Inspection will be \$125 if a wildlife trapping agreement isn't performed at the time of inspection.

NOTES: 1. This is a 30 Day Squirrel Trapping Service for Structure Infesting Squirrels Only
<http://www.newjerseypest.com/squirrel-control.html>

2. Repairs / Exclusion has to be made no later than the expiration of this agreement to maintain a warranty which includes future necessary trapping for free.
